Who are we?

Together Women is a charity that **supports women and girls across the North of England**, with a particular focus on women who are involved in or at risk of entering, the criminal justice system. Our aim is for **women to lead safe, violence-free, and equal lives**.

From our **women-only centres**, we provide **tailored support** across a range of different pathways. As a charity led by women, for women, we provide **trauma informed, holistic support to help break cycles of trauma, abuse and re-offending**, and **evoke systems change**.
